Upgradation Of MIG-21 Fighter Fleet

*108. DR. MOHAN BABU:
DR. D. VENKATESHWAR RAO: Will the Minister of DFFENCE be pleased to state:

(a) Government's plan to upgrade MIG-21 fighter fleet in view of tension on the borders;

(b) the estimated cost involved therein; and

(c) the target for upgrading the planes?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES): (a) to (c): The Government has planned to upgrade the MIG-21 fighter fleet. It is not considered advisable to give details of the plan in the interest of national security.

Latest Wireless System of Pelhi Police

*109. SHRI DILIP SINGH JUDEV :
SHRI GOPALISINH G. SOLANKI:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) whather it is a fact that Delhi Police is planning to purchase latest Wireless Communication System/Digital Trunked Radio System to be installed in PCR vans and at various Police Stations;

(b) if so, what are the salient features of the system; and

(c) by when the system is likely to be installed and become operational?

THE MINISTER OF HOME AFFAIRS (SHRI L. K. ADVANI): (a) and (b) Delhi Police are planning to purchase an Ultra High Frequency (UHF) Digital Trunked Radio System, with a modular design, capable of future expansion, and with facilities for computer linkage between Police Control Room and PCR Vans. The proposed system will provide the following facilities which are not hitherto available in ?he existing communication system of Police Control Room:

* automatic channel allocation;
* flexible talk groups;
* privacy;
* access to P & T network;
* caller identification;
* selective inhibition facility;
* priority in communication to emergency calls;
* voice and data communication facility; and
* emergency calling advantage.

However, the proposed system is not meant to be installed in police stations.
